3rd Annual Green Car & Alternative Show

Havelock Ontario on **Saturday August 15, 2009.**

The show starts at 9 am and will run till 5pm. We will have variety of SVO (Straight Vegetable Oil) converted vehicles showcased as well as information on biodiesel, alternative fuels, renewable energy and human power. There will also be an electric vehicle from the Durham Electric Vehicle Association showcased as well as a human powered wood lathe.

This year we are having an

💡 Alternative Invention Competition 💡

Design and build a human powered device. I.e. Appliances, tools, generators, yard equipment.

Rules:

- Must be Human Powered. (Pedaling, rowing, cranking, pumping)
- Must be made on a shoe string budget. (Mostly recycled parts)
- Must be a working device
- Must be safe
- Must have fun

Hint - KIS - Keep It Simple

\$100 First Place Prize for best overall Human Powered Device

Other prizes for

- **Most Creative**
- **Most efficient**

This will be a fun and entertaining event.

Location

31 Ottawa street east (Hwy # 7, on the North side, across the street from the old train station restaurant. The show will be held on the same property as the General Corner Store Havelock.)

Please park on south side of Hwy # 7 (Be careful crossing) or on neighbouring side streets.
